

# Private Equity Internship

**Aalter & Ghent** **2027** **Min. 3 months (FTE)** **Competitive remuneration**

## ABOUT VECTIS PRIVATE EQUITY

---

Vectis Private Equity is an independent, leading private equity firm with more than 20 years of experience, managing approximately €200 m. We specialise in professionalising and growing SMEs, investing alongside ambitious entrepreneurs and family shareholders in companies with a compelling equity and growth story.

With this internship, we want to give ambitious young professionals the chance to discover what it truly means to work in private equity, and to gain valuable, hands-on experience. Join our dynamic team for at least 3 months and seize the unique opportunity to grow, learn and make a real impact.

## JOB DESCRIPTION & RESPONSIBILITIES

---

### Supporting the analysis of investment opportunities:

- Sector analysis and review of submitted financials
- Analysis of Investment Memoranda
- Preparation of investment notes and memos
- Market and competitive landscape analyses

### Supporting our portfolio companies:

- Preparation and refinement of financial reporting
- Identification and analysis of add-on investment opportunities
- Preparing for and attending management meetings

## YOUR PROFILE

---

For this challenging role in an entrepreneurial environment, we are looking for a driven, autonomous candidate with strong analytical skills and a keen eye for detail:

- At least one relevant internship in Corporate Finance, Big 4 Audit/Advisory, Strategy Consulting, or a PE/VC fund
- Proficiency in Dutch and English
- Strong Excel and PowerPoint skills
